

The categories listed below reflect the departments in store, and what type of items belong in that category. Use this guide to help categorize items on your consignment contract. Select ONE CATEGORY per item. Some items may apply to multiple categories; you may choose which one it will be displayed in. Per consignment rules, each category is limited to 5 items per contract, unless otherwise noted, or if limited by the Weekly Non-Accepting List. MTS Management has the final say in the category/display area of an item. If you are unsure, please see a member of the MTS Consignment Team.

****Bikes, Purses, and Vacuums/Cleaners are limited to one per contract per day, unless otherwise limited. Shoes and Coats are one per category (boys, girls, men's, women's) per contract.***
